HADARAH - הַדָּרָה

In Hebrew, "Hadarah" means to "praise the Lord in the beauty of holiness." In 2 Chronicles 20:21, Israel is facing their enemies for battle, when the Lord tells them not to be afraid or dismayed. He commands them to stand still and see the salvation of the Lord. It goes on to say, "And when they began to sing and to praise, the LORD set ambushes against" their enemies.

Praise the Lord for His equipping, His Holy Spirit, and His anointing. All glory and worship goes to Him alone. Thanks to my husband and children for their support in more ways than I can recall. Thanks to Zack Douglas and William Saxton for always pushing me musically and teaching me to play the guitar and get me out of my comfort zone. And a very special thanks to my Pastor, Chik Chikeles, for discipling me, for being faithful to proofread the lyrics of these songs, ensuring they are biblically accurate, and for cultivating in me a heart and understanding for true worship. Another thanks to my family in Christ and to my brothers and sisters at Calvary Chapel Saint Paul. I have the best family in the world!
